

MISSION STATEMENT

At PGP we are Preparing, Guiding, and Pursuing.

We are preparing each child socially and academically according to their unique abilities. We are guiding them in an engaging learning environment. We are pursuing excellence in school and the community.

- The school is involved in the community and the community is involved in the school.
- The school provides a nurturing, motivating, inspiring, fun, encouraging, enticing, patient environment for every child.
- Students are educated and enriched with technology.
- The school provides a safe, structured environment that promotes positive self-esteem and confidence.
- All on campus are challenged constantly.
- The school will set high expectations for students to develop strong independent thinkers, problem solvers, and DOERS!
- Providing an opportunity for a well-rounded child by having a fine arts program.
- All on campus are held accountable.
